

2025 Junior Golf Program

Welcome to the 2025 Royal Melbourne Country Club Junior Golf and Fishing Program! We are excited to offer the children and grandchildren of RMCC members the opportunity to grow and develop their golf skills in a fun and interactive learning environment designed to harbor a love for the game and social skills that can be used in golf and life. Our classes will use industry-leading techniques incorporating fun games that measure improvement both on and off the golf course.

Mission – The staff is dedicated to growing all aspects of golf in a friendly and fun atmosphere for every skill level Junior.

These Classes will be structured to work on all aspects of your game such as: the fundamentals of your set-up (Grip, Ball Position, Alignment, Stance), a dynamic of your swing, a short-game element (Chipping, Pitching, Putting, bunker), and on course training.

Clinic Schedule – Each week will have a primary focus, on Rules & Etiquette, Putting, Chipping, Pitching, Bunkers, Full Swing Irons and Full Swing Woods.

Fishing (ages 10+): 6:30am to 7:50am *NEW for 2025*

2025 Junior Golf Program

If you would like more instruction or these times don't fit your child's schedule, private/group lessons are available with any of the Golf Professionals.

Coaching vs. Private Lessons

- We coach your junior as an individual in a team environment. Each of our juniors is taught the skills and techniques based on his or her strength and mobility, their learning style, and their desired outcome. The team environment is so productive for several key reasons:
- It creates the right environment to learn the life skills and core values we teach.
- It allows your junior to build friendships in an individual game.
- It allows coaches to create competition and challenges that motivate the players.
- It enables your child to take leadership or mentoring roles to develop interpersonal skills.
- It increases the hours your child can spend with their coach while not increasing the expense.
- It reduces the chances of over-teaching & technical overload. We allow each junior golfer to apply what they learn through experimentation and encourage them to learn by asking questions rather than just be told what to do.

Contact Billy Knilans, PGA Director of Instruction, to sign up for the program
